Potentate's Message

Dear Nobles,

We have completed four important events already this year. Each of them have been very successful. We exceeded in every category at the Circus. Ticket sales, Nobles Tickets, cotton candy, sno-cones, advertising, and novelty sales were all up substantially. We nearly doubled our onion sales. We had a very good Ceremonial. All of our new Nobles were impressive and impressed. They were a fine looking group of Nobles. The Screening and the Outpatient clinics were very successful. All four of these events were a success because of all the dedicated work of our Nobility. This shows what team work and devotion can do. I THANK ALL OF YOU.

Let's now look at the rest of the summer. We are committed to over 20 parades at this time. Remember parades are probably our best way to sell the Shrine and our Temple. Let's make every effort to have them well attended. If you have any ideas about new parade Units or something to enter, let us know.

Don't forget our contest on who attends the most parades. Our parades are only successful because of the Nobility who attend them. Don't let our neighbors down. Parade and have fun.

We also have the Shrine Bowl on August 1, 1992. This is an important fund raiser for our hospital.

Our satellite circuses need help. Columbus circus is June 5, 1992. Please come for both the afternoon and evening shows. Norfolk can use help at any or all of their shows on June 10th and 11th. I urge everyone who can help our Shrine Club Circuses to make a commitment to work.

Yours in the Faith,

Rollie Johnson

NOTICE TO ALL UNITS AND SHRINE CLUBS

The goal of the FEZ-tivities is to disseminate information from and about your Unit/Shrine Club to the members of your Unit/Shrine Club who may not have participated in the activities your correspondent writes about. It is also the goal of the FEZ-tivities to get the information about your Unit/SC to other Units/SC. Everyone is interested in what other units are doing as a Unit and also socially.

It is necessary that the designated correspondent of each Unit/SC do his part to see that we at the FEZ-tivities receive your quarterly article so we may disseminate that information.

I would suggest if you do not see an article in this issue of the FEZ-tivities relative to and about your Unit/Shrine Club you contact your Unit Correspondent and ask why you are not represented — YOU SHOULD BE.

FEZTIVITIES ADVERTISING

Most of us take a lot of things for granted and only miss them when they are no longer available. If you look forward to and enjoy receiving and reading the FEZTIVITIES, would you be willing to use perhaps an hour or two a month in order to assure the continuation of an even better FEZTIVITIES. If so, look over our list of advertisers. Do you see someone you do business with? If you do, let them know. Do you not see anyone you do business with? If so, let him know and ask him if he will do business with us, by advertising in the FEZTIVITIES.

Remember, you are not asking for a donation. There are about three thousand members, their families and their friends, all of whom see this publication and who are encouraged to patronize our advertisers. Check in the back of the magazine for the low rates. ALL WE ASK IS THAT YOU ASK.

DEADLINES AND MISSPELLED NAMES

We are anxious to get all your club and unit news in the paper in a timely fashion. But we need your copy a month in advance, especially if there are holidays near the end of the month.

Since we get your paper to you during the last week in the month, we need your copy the first week of the month. We apologize for the month long turnaround time, but that's what it takes.

Also, if you are still sending in handwritten copy, PLEASE PRINT NAMES. Everyone screams when we can't read a name and misspell it.

Please notify the
Shrine office
(474-6890) or any
Noble of illness,
hospitalization or in
nursing home.

CIRCUS 92

Our 1992 Shrine Circus is history. Great memories remain of our most successful circus ever at Sesostis Temple. The credit goes to each of the Nobility for your hard and dedicated work.

We broke records in every area; larger attendance, more novelties sold, more animal rides, more clowns in the skit and in attendance, more Nobles working, more ladies working, more Masonic youth working and above all our new endeavor the "cotton candy and sno-cones." Our 92 circus had a 35% increase in net revenue over last year. I believe we can truly say our move to Pershing has been a good move.

The George Carden Circus as usual put on a quality show. The comments we received were very complimentary. The acts were professional and performed well. Except for an accident by one of the motorcycle acts, the show came off without a hitch. The usual good job was done by our own ring announcers, Ron Dodd and Everett Larsen and our Circus Director, Bud Riblett always seemed to have everything under control.

All of this success while we worked at both circus and onions is a credit to our Nobility.

I'm pleased to announce that our 1993 circus has moved to March 17-21. This allows us to complete our circus prior to onion deliveries.

Thanks again on behalf of the Temple Divan for your commitment, hard work and dedication. We were pleased to honor you by serving you a nice steak dinner on May 20 and presenting our awards.

LITTLE CARS

Hello again from Little Car Land!

We once again are getting ready to enter the season for parades. I'm sure we will be busy this season with all of the parades.

It looked like we had another real fine circus with good attendance. A lot of people were busy taking tickets, preparing food, selling programs and novelties and watching our favorite clowns.

Since our last issue, we had a very good annual Valentine party that was enjoyed by many thanks to Wayne Schmidt and Rich Johansen.

We were sorry to hear Jack Ruble had surgery, but glad to see he is up and around and doing nicely and hope that by this time he is back to normal. Also by the time this goes to print we hope Lynn Wickham is feeling better and going strong again.

ALLAH RAHAMAHUM

(God Rested Them In Peace)

To the promised land our friends have gone,
To the land of perfect rest;
Their work is done — and the setting sun
Has sealed their Life's request.
They have left this earthly strand,
For the house beyond the sea,
Though the past is gone, they will still live on
To us all — Sweet in our memory.

TRI-SCATS

Fred W. Gish — Correspondent

Summer activities are close at hand and our capable captain, Frank Smith, has issued his initial instructions.

We have voted to attend a large percentage of the scheduled parades. It is hoped other units will find it convenient to do likewise. Practices are scheduled weekly during May with necessary repairs to be made to our units during the same period. Several have indicated a need for a new front tire, so new front tires have been ordered for all 10 members. While at it, orders for new wheel caps have also been ordered.

Meetings and breakfast continue the first Saturday of each month and a good turnout has resulted each month thus far.

Circus ads went well and we sold 165 bags of onions.

SEE YOU ON THE CIRCUIT.

Flying Fez - Dave Williams and Jennie and Bill McLoughlin.

FLYING FEZ

Bill McLoughlin — Correspondent

The Flying Fez has been very active since the last FEZTIVITIES was published.

Again this year the Flying Fez sold tickets for the elephant and pony rides as well as the moon bounce.

Dave Williams did his usual fine job of scheduling our members and wives to help for every performance. The enclosed picture, left to right, shows Dave Williams, Jennie and Bill McLoughlin ready to sell tickets for the rides.

On Friday, May 1st the Flying Fez, Mustangs, and the clowns hosted a "MEXICAN FIESTA" at the temple featuring 99¢ margaritas, tacos and other Mexican food, a strolling accordion, and a young couple from the Fred Astaire dance studio performing Mexican dances for us. There was a good turnout, and everyone got more than their \$5.00 worth that evening. Six Pinatas were given away as door prizes.

Our thanks go to Roger Miner for his work on the Fiesta for the Flying Fez.

We have signed up to take part in six parades this summer. Commander Dean Peterson is working on a Pig Roast at his home in May, and we have the Fremont Dinner Train scheduled on June 14th.

PAWNEE JOLLY WAGON

Robert Jacobs — Reporting

At the annual KC/Shrine dinner dance held at the KC Hall in Columbus on March 14, the club with the highest percentage of members received \$100 from the other club. Pictured is Knight Don Korger presenting the \$100 check to Noble David Marsh, chairman. A good time was had by all that attended.

Knight Don Korger presenting check to Noble David Marsh.

We have lost another brother on April 9, 1992, Noble Charles Farnham was killed in a New Mexico accident, riding his motorcycle. He was a member of the Pawnee Clown Unit. We will miss him.

Our Vadalina Onion sale has gone very well with the leadership of Nobles Leonard Fleischer, Donald Whitefoot, Ron Fairbairn. A job well done.

We are looking forward to going to the parades this summer with many members attending. Especially the ones at Stromsburg June 20, the Columbus Day parade August 23, Schuyler Labor Day parade September 7.

We are making arrangements to go to the Picadilly Theater in Grand Island in the fall.

Have a good summer and a safe one.

NORTHEAST NEBRASKA SHRINE CLUB

James L. Monk — Secretary/Treasurer

Members of the Northeast Nebraska Shrine Club Oriental Band met for dinner at the Brass Lantern Restaurant at Norfolk March 4, 1992. Twenty members and guests were in attendance.

A discussion, led by President Eddy, followed dinner concerning activities for the coming year by the S.O.B.'s.

A motion by Stu Hales to utilize the Northeast Shrine Club carts for parades this coming season failed for lack of a second.

A motion by Wes Sohl, with second by Tom Hughes, to resume monthly social activities to endeavor to keep the group together and to discuss further plans regarding a flatbed trailer for use in parades by the band - motion carried.

Wes Sohl volunteered to host a social activity later this spring at his cabin at the lake.

Nominations for officers for 1992-1993 were solicited.

President Bob Settell

Vice President Stu Hales

Secretary/Treasurer Jim Monk

A vote was taken and all candidates were elected unanimously.

Wes Sohl will remain as band director. Bill Eddy will serve on the Board of Directors as past-president.

SHRINE BOWL CLUB

A somewhat "historic event" took place on April 16th at Mahoney State Park near Ashland.

The three Nebraska Temples, Sesostris, Tehama and Tangiers met to discuss the Shrine Bowl of Nebraska. Nobles attending were members of Shrine Bowl Clubs and

Joe Maze (left), Coach Gene Suhr (right)

Units from each of the three temples. These Nobles, and their groups and clubs, are extremely important to the Shrine Bowl of Nebraska. They are the ones who write advertising, attend and participate in parades, plus many other events within their respective temples.

Different ideas and thoughts to help improve advertising and all other facets of our annual August Shrine Bowl Game were discussed.

Attending the meeting and pictured here, were the Potentates and Divan Members from Sesostris and Tangiers Temple and Noble and Shrine Bowl Member Bill Farnham of Tehama Temple.

The featured speaker was Gene Suhr, head coach for this year's South Squad, who is shown receiving a plaque from Joe Maze, Shrine Bowl Unit President and also a Shrine Bowl Board member from Tangier Temple.

Also attending was Tangier's 8-foot Shriner shown dancing with Potentate Rollie Johnson's Lady Liz.

We all felt this was a very constructive meeting and hope to do it annually.

SESOSTRIS ROAD RUNNERS

Wilbur Hibberd — Director
Jay McMaster — Correspondent

Look us over, we are the latest new club. Our obligation is to provide transportation for our crippled children to and from the hospital in Minneapolis and sometimes to Chicago. We have this beautiful mini-van. Our members are from all over Sesostri land, Beatrice, York, Columbus, Lincoln, Fall City, etc. We have a grand group of Shriners and will welcome more to join for the more we have the less each one of the Nobles will have to make the trip and it will be easier for Director Hibberd to find a driver without bothering those who have other commitments. Our members are asked to take a driving course on "defensive driving" but that too is good for us all. Keep in mind, we do this drive to watch our travel cost but the Transportation fund always needs your support, so those in other units please funnel your earned money for this great cause for we get no funds other than your gifts.

Our number of trips to Minneapolis add up fast, "over 1000 miles roundtrip" so besides gas, we will need to look at allowances for replacement vehicles down the line. Keep watching our write up for we do have some good ideas for Nobles other than our members.

Vern O'Neal and Dick Vosteen at Mustang dinner in Columbus.

MUSTANG UNIT

Since the last issue of the "Feztivities" the Mustang Unit has been very busy participating in many activities.

We started this month of March by having our Spring meeting in Columbus, Nebraska at Johnnie's Steak House. This was done so that we could have our members from the Northeast Shrine Club join us. We had an excellent meal and a very nice social time. We also approved parades for the coming parade season. Our Nobles from the Northeast Shrine Club are Ken Krupicka, Will Medow and Roy Kiser. Ken brought his Lady Judy and Roy brought his Lady Eve. Will and his Lady Jean were not able to make it. After this meeting our attention turned to the Potentate's Ball. Our unit had a hospitality room at Holiday Inn and all of our members participated, however, a special thank you goes to Noble Dick Vosteen and his Lady Joyce. Yours truly had surgery and Dick and Joyce took over and with the help of other Mustang Nobles and their ladies did an excellent job.

I would like to especially thank the following Nobles and their ladies for the excellent job they did on our new Banner. They are: Noble Ray Schwarz and Lady Ruth, Noble Rex Schwarz and Lady Rita, Noble Dick Vosteen and Lady Joyce, Noble Rick Dickey and Lady Marcia. THANK YOU!

We also had the following Nobles help with the outpatient clinic. They were: Nobles Landis Rullo, Jerry Ritchie, Loyd Barkhurst, Willie Kuntz, and LeRoy Meier. Thanks Nobles a job well done.

Our onion sales are about over with, but I just have a few bags left and they should be gone by the time you read this. Final count is not available as of deadline.

On May 1st the Mustangs along with the Flying Fez and the Clowns co-sponsored the second Fun Night of the year, Mexican Fun Night. I hope you enjoyed our efforts.

See you next issue of the "Feztivities."

PAWNEE MOTOR PATROL

Walt Crook — Captain

What you know, it's spring — great things underway.

First of all, Orville Dodds, a past captain of the Patrol, had a triple heart bypass March 10, 1992 at Clarkson Hospital. Glad to report he's getting along just fine — will be up and out before you know it. (Captain 1978-1979)

The 2nd Annual Shriner/KC Dinner Dance, held Saturday, March 14, 1992 at Wunderlick Catering, Columbus, Nebraska, was a big success with 106 Shriners and Knights and Ladies present. Paul A. Malzer, Jr., 1st Ceremonial Master, and his Lady represented

100 MILLION DOLLAR CLUB

When the Shrine assumed the serious responsibility of rehabilitating crippled children a little over fifty years ago, it really found its soul — a purpose for its existence. To finance this project, an assessment of \$2.00 per year was voted on each member to be paid with the annual dues and remitted by the Temple to our headquarters in Chicago. As more hospitals were constructed to serve a wider area of our country, more funds were needed and the assessment was increased to \$5.00 per year.

Our great charity has been further increased with the addition of three institutes for the treatment of severely-burned children so that now we are expending approximately \$110,000,000 per year in this work. These funds are derived from our \$5.00 per member assessment (producing only \$4,500,000 per year). The balance has to come from the gifts of interested individuals, circuses, football games and interest from our endowment fund. **NOT ONE CENT OF FEDERAL ASSISTANCE HAS EVER BEEN RECEIVED NOR HAS ANY CHARGE BEEN MADE TO A PARENT.** Ours is "pure" charity!

For the past several years our income from these sources has not been adequate to support our charity and, rather than further deplete our endowment fund which would further reduce our income, the idea of a 100 Million Dollar Club was started to support our philanthropy.

Everyone who makes a gift in cash of \$100.00 or more, or who provides a gift of at least \$100.00 in his Will, receives a handsome certificate suitable for framing, signed by the Imperial Potentate and certifying that he or she is a member of the 100 Million Dollar Club. Every Officer of our Temple and several hundred of our members have qualified for membership. Gifts are tax deductible.

We invite and urge your support and participation!

Thanks a 100 Million

(Please make checks payable to: SHRINERS HOSPITALS FOR CRIPPLED CHILDREN. Mail this form to: Recorder, Sesostri Temple, 1717 Yolande, Lincoln, Nebraska 68521)

the Sesostri Temple from Lincoln, Nebraska. And Edward L. Wagner, PSD State Master K of C, and his Lady were present. The grilled steaks were delicious and everyone had a great time listening or dancing to the Jerry MacDonald Sesostri Dance Band, Lincoln, Nebraska. It was great dancing to the songs from 30s, 40s, and 50s. The Knights of Columbus presented a \$100.00 check to the Shriners who had the highest percentage of their membership in attendance. The check will go to the traveling fund.

Marge Wilbur, Marilyn Jacobsen, decorated the tables and the Job's Daughters served the meal.

Would like to thank Ada Marsh for the Shriner/KC news. You're a great help.

Coming together is a beginning. Keeping together is progress. Working together is success.

Welcome home Bob and Gloria Olson. Nice to have you back.

What about that One Big Pig Roast!! Was Saturday, April 25, 1992, Fire Hall, Rising City, Nebraska. Taken care of by Jerry Selden and Walter Crook. That's always a big success. Between 70-80 attended.

The Shrine Circus 47th Annual is over, as everyone knows. It was a good circus held at Pershing Auditorium, April 22nd through April 26th. That shows what cooperation can do. What a proud feeling for all Shriners knowing that you made a lot of people happy. Hats off to all for doing a super job. Remember, all people smile in the same language.

Happiness is finding a new friend.

Just heard Don Whitefoot and Ron Fairboirn spent many hours on this fundraiser for Temple expenses. They sold 400 bags of Vidalia onions. Take my word for it — these onions are great. If you would like a bag, call Don or Ron.

The secret of joy in work is contained in one word — excellence. To know how to do something well is to enjoy it.

Captain Walt Crook called a meeting Monday, April 27th at the Husker House in Columbus, Nebraska. Due to the loss in the family, the work load that has been left eyson him just does not leave him enough hours in the day. Best interest of our group that we appoint a new leader - so Bob Wilbur as of April 27th is our new Captain of Columbus, Nebraska. New Lt. appointed later.

What a better way to start the day — with the Potentate's Breakfast.

Breakfast with entertainment! Illarious fun with the Illustrious Sir catching the "roast".

Spread the Word!

Saturday, April 18 at the Platte Valley Shrine Club Pork Roast.

SCIMITAR PATROL

Harry Lipert

Another few months have transpired and president Bob Pegler is running the meetings with vigor and enthusiasm. The Patrol is fortunate to have men like Bob Pegler, Bob Siefken, Harold Johnson as the officers of the club. Harold Johnson does such an exceptional job as secretary (when he reads the cards from appreciative brothers, he shows his concern and all the patrol thanks him for being compassionate and caring).

This year, the patrol, thanks to Capt. Harry Niederhaus, will lead his men in more parades than ever before. All of the patrol agree that this is the year to get off our butts and represent the Shrine in more parades. Our very first this year will be June 6th at Wymore. We will meet at some designated location and car pool. All of the out of town parades says Harry Niederhaus will be met with vigor and will be carpooled or truck-pooled or whatever pooled so the patrol will act as a team and party together all the time. Of course the wives are welcome to attend these parades.

May 15th, 1992 is the date selected as the Shrine Golf outing at Mahoney Park. Please sign up and be part of this special Shrine function. The fee is \$75.00 and is worth every bit of it. Sign up and see if you can beat Harry Lipert, he's taking all bets.

The patrol welcomes "Chip" Meston, "Don" Porter, and Kirk Malzer into the patrol and will provide them with the tools to become marching machines. Their wives, Alberta, Lettie, and whoever (one's not married) are also very welcome and the patrol is looking forward to meeting all of you.

The circus was held on April 22 thru 26th and "Bud" the circus director indicated that the patrol certainly does their share to make the circus another success and keep selling those novelties. Thanks "Bud" for those kind words.

Larry Davis was again in charge of the Vidalia Onion sales this year and has done a superb job. Let's give a lot of thanks to those that give 100 percent for the Shrine and Larry is certainly one of them. Thanks Larry. Bob Pegler, the president, says he owes you one for the work you've done.

Bob Pegler announced at the April meeting that our annual stag will be held June 5th at the Yolande Temple. The steaks and beer are free (that's what Dresselhaus said) so please attend and share in Dress's tax return.

The Potentate's Ball was an excellent experience and for those of you who attended both our room at the Holiday Inn and the Ball itself should be pleased at the results. Everyone indicated having the room at the Holiday Inn was exciting and a place to meet and socialize. Pat Barratt and Susan had a great time they said and thanked the Patrol for that free food and booze.

At the end of last year, President Bob Pegler suggested we have a drawing and sell a 12 gauge shotgun. So the motion was passed and we sold tickets for the shotgun and the profit was targeted for the building fund....Now you can see the Patrol's name on the \$1000.00 building fund board. The patrol should be proud of their accomplishments and if you look at that \$1000.00 board, their are individuals in the patrol who also give to the Shrine and should be given a slap on the back for a job well done...everyone that can give to the building fund we hope will do so. Building Shrinedom is everyones job, don't you think?

Herb Henry and Bob Siefken have been working diligently assembling the names of past Patrol members. There has been approximately 450 men in the Patrol since 1908.

The Patrol Social events are going to be increased this year says our social director, Robert Archer. The party scheduled for May 31 will be at the home of Harry Lipert, 3140 Durado Ct. Firethorn. The party will begin at 1:30 and end at or about 7:30 p.m. or a.m.? Beer, dinner and soft drinks will be provided. Bring your spouses and have an exciting time. Pool and pinball tournament to be provided.

Wonder what Bill Keller is doing?

Greeters Hobo Dinner

RAILROAD CLUB

John Keller

Another Potentates Ball is history and the Railroad Club had a hospitality room out at the Holiday Inn, Nernie Dow, Paul Carpenter, Reuben Keller and others served all the nobles that stopped in with some delicacies to choose from. When you read this the Circus will be history. Our first parade was in Havelock. Nobles take in at least one or more parades this season, you will be glad you did. Take advantage of going to North Platte for the Nebraskaland Days, you will enjoy it. The Railroad Club helped with the Bryan and St. Elizabeth Clinics, John Keller, Paul Carpenter, Bill Cave, and Allen Johnson helped. It's always a great experience to work with the children, that Shrinedom is able to help. You nobles that never worked with these children at the clinics, do consider the next time. Don't forget to visit those nobles that are Home-Bound. Noble Floyd Kulla started as a patient at Bryan Hospital, then was transferred to Lincoln General Hospital for treatment for a tumor in his head another in one lung and they are malignant. He is home now and comes in to Lincoln General Hospital daily for treatments. The R.R. Nobles are anxious for the circus to start. They are signing up without being asked. See all of you at the June picnic, yes?

SESOSTRIS FUN CLUB

Mary Kyckelhahn — Correspondent

Sesostriis Fun Club met on April 26. We were a week late, due to Easter. We had plenty of good food and my hope is to have more Shriners and their wives in attendance. I know you will enjoy the fellowship.

We send our deepest sympathy to Noble Ed Fischer due to the death of his wife Viola. She will be deeply missed. Noble Earl and Isabel Christiansen celebrated their 54th wedding anniversary on April 26 and Noble Ray and Velma Garlow celebrated their 65th anniversary on April 4. Congratulations to both couples.

We had no illness report and that is good.

Our special guests at the meeting were Noble Stephen and Joan O'Brien.

We will play bingo at our next meeting of May 7. Drop in and see us.

RAG TOPS

Larry Brooks — Corresponding Secretary

Springtime. The flowers are blooming and it's time for the convertible top to come down. March saw the RAG TOPS participating in the Havelock Parade on the 14th. Our first parade of the new year.

John Axe, Leonard Sinkule and their wives, Sherry and Jan set up and ran the hospitality room at the Holidome with great success.

From there, after all their hard work, we went to Pershing for the Potentate's Ball. The auditorium was decorated very nice in a cool blue mood and Noble Sinkule lead the entourage from the Rag Tops. Many of our nobles were seen on the dance floor, dancing to the tunes of our Sesostriis Band. Your corresponding secretary did not make it to the breakfast and the next morning, but it was reported to me that the food was excellent.

April found the Rag Tops doing their "thing" ushering, selling programs and novelties at the Sesostriis Shrine Circus at Pershing. Rob Kinsey was looking for help on this project and I hope you volunteered your time and effort. Saturday, April 18th, found members of the Rag Tops at the Pig Roast in the Ashland Nebraska neighborhood. Our "Onion King" thought the roast was as good as it's ever been.

During the busy month of May, the Rag Tops will participate in the Spring Ceremonial during the 8th and 9th. On the 16th, we'll have our first "Rag Top Road Rally." Starting at the Temple, two-car teams will participate from 1300 to 1700 hours, winding thru five different locations. We'll end up at the same location for dinner and the hard won trophy.

Our Rag Tops parade schedule looks like this for the coming year: June 6th-Wymore/ June 20th-Hallam/July 4th-Fairbury, July 12th-Shrine Bowl Dinner/July 24th-BBQ for the South Shrine Bowl Team (see Leonard Sinkule for tickets). On the first of August, get those tops down for the Shrine Bowl Parade in Lincoln.

CUSHMANS

Ron Hoffman — Captain

The CUSHMANS are continuing to roll. New blazers, ties, and two new members - JOE MILLER and RUSSELL ALLERTON. We welcome them to the unit. Ken McClure signed up Joe and Shorty Damewood signed up Russell. **HATS OFF TO THE CUSHMAN WIVES** for their time and talent spent helping with our hospitality room. Our new banner was hung with pride in the hospitality room and also at the Potentate's Ball.

The Cushman's want to publicly say **THANKS** to Potentate Rollie and Lady Liz for an outstanding Ball and Breakfast. The hospitality room idea was great and we hope it will continue through the years.

To the **NOBLES** who did not have the opportunity to visit the hospitality rooms or attend the Ball or Breakfast, you really missed a great time. Why not plan on it for 1993...and speaking of planning, how about checking out the planned events for 1992, including our **STATED** meeting. Good food, good fellowship, and meet our **DIVAN**. Once you attend and participate you will find that Shriners work hard, but have a great time accomplishing many tasks. Join us and be as active as you want.

Starting on April 20, we have been and will practice each Monday night at 7:30 at the Temple parking lot. Come out to see what we're all about and who knows, you could be riding one of those white scooters in the future.

WANT TO JOIN AN OUTSTANDING UNIT? Call or see any one of the members for more details.

WE RIDE SO CRIPPLED CHILDREN MAY WALK.

It's not your typical classroom — the kind most kids are familiar with. There aren't rows of desks in the room. The students don't wear uniforms as they do in some schools. They don't even all reside in the same community.

But the students all do have something in common. They are all patients at a Shriners Hospital for Crippled Children and are all busy doing their various class assignments — reading, writing, arithmetic, and more.

Little Jimmy came by wheelchair. Janie came on crutches. Suzie was wheeled in on a stretcher. Johnny managed to limp in by 9 a.m. Others came, too.

Peering into the room, there was 7-year-old Jimmy quietly seated in his wheelchair and turning the pages on a coloring book with a lot of pictures of animals. Ten-year-old Sally was laying on a stretcher, holding up a geography book, reading about Venezuela. In all, 17 children filled the room, quiet except for the whispered tones of the kids who were reading to themselves.

Between September and June, patients of Shriners Hospitals bring their assignments with them so they can continue their education to keep pace with their peers back home. This is just one more example of the family-centered care philosophy that Shriners Hospitals stress — while medicine might heal the child's body, tending to the child's mind and spirit are equally important in the healing process. As such, many of the local school districts where Shriners Hospitals are located provide certified teachers for their patients.

Shriners Hospitals' school program at the Greenville (South Carolina) Unit is under the tutelage of Coordinator Frank Sutherland, who has more than 32 years' experience as both a teacher and elementary school principal in the Greenville County School District.

"Teachers of children in hospitals must cope with constant change," he noted. "I looked back through my records last year and found there was only one day where we

Reading, 'riting, 'rithmetic

Shriners Hospitals offer patients first- class education

didn't have admissions or discharges. We've been averaging about 30 students a day here, but we've had as high as 38 a day," he explained.

For Sutherland and the several teachers at the unit, the rewards are in seeing the students achieve goals they would not have attained without a hospital school. "The rewards are there every minute of the day," he commented.

At the Spokane (Washington) Unit, its school program has been in existence for nearly 70 years. Over the past five years, nearly 2,500 patients have received schooling there.

The two teachers assigned to the unit by Spokane School District #81 are Venny Sullivan and Steve Kovac, both of whom have earned their master's degrees and have a combined 46 years' teaching experience. Sullivan teaches kindergarten through sixth grade; Kovac, seventh grade through senior year high school. In addition, both have special education teaching backgrounds.

"Most of the time, our patients are anxious to get to the classroom, because they say their schoolwork and computer assignments help keep their minds off their medical concerns," Sullivan said.

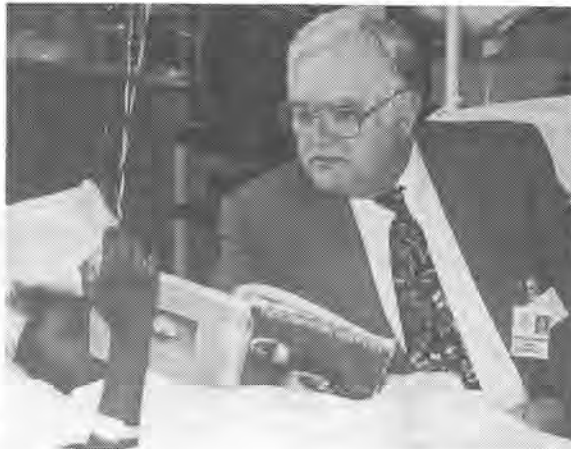

Kovac emphasized that "because of our school district's SCAN line (a special telephone hookup with the schools), we can keep in close contact with our patients' classroom teachers. It allows us to ask them questions we may have about our students, talk about their progress, and discuss specific work assignments. It's really a valuable tool for us."

Noting there is no boredom in a Shriners Hospital classroom, Sullivan said, "Steve and I greatly appreciate the support we receive from the Shriners in our endeavor to provide the best educational experience possible for our patients."

At one of the Shriners Hospitals, a teacher explained that she tries to make her students understand that learning can be fun. "Class time," she said, "is precious. So is life, and these youngsters try to make the most of it, even in the hospital."

Providing the best educational experience possible for its patients is the goal of Shriners Hospitals' Spokane Unit, says teacher Venny Sullivan, at left.

According to School Program Coordinator Frank Sutherland of the Greenville Unit, the rewards in teaching at Shriners Hospitals are there "every minute of the day."

"Getting Ready For A Parade"

Tommy Fisher, Beryl Copas, Don Zanders, Buzz Murphy, Dennis Roether, Mike Niederhaus, Don Desch, Jim Moeller.

CLOWNING AROUND...

The clown unit has been busy since the last issue of Feztivities.

We were invited to clown at the Home Show in February — we meet a lot of people and children and it gives us a good opportunity to promote the greatest philanthropy in the world.

We had our annual pancake feed at the end of February which was a HUGE SUCCESS again this year. We thank every clown and clown's wife that helped, plus a BIG THANKS to all the 'PANCAKE EATERS' that came and ate with us.

The BIG EVENT OF THE YEAR was held in March as we revealed our CLOWN OF THE YEAR FOR 1991 — Harold "Klinky" Bartlett. Congratulations!!!

The end of March found us making our annual school visitations promoting the Shrine Circus. This is a "fun time" for all those clowns that are able to participate.

Then came the Potentate's Ball — Congratulations to two great people — Rollie and Liz Johnson. The breakfast gave the "Clown Dancers" the opportunity to 'SHOW' their stuff. Thanks to Ron Hoffman and his famed dancers, Dennis Roether, Randy Strauss, and Ernie Campbell.

The clowns wore their new dress uniforms to the Potentate's Ball — black tuxedos with the clown on the cummerbund.

What's a circus without "the Shrine Clowns?" WE were honored twice this year at the circus: first, Beryl "Dad" Copas had his picture on the cover of the circus program; and secondly, we were asked to perform a skit at all ten performances. This skit was fun, enjoyed by all clowns that participated.

enjoyed by the audience, and professionally written and announced by our own "Mr. Jimmy Mowitz." The clowns would like to thank Galen Fritchie and "his crew" for making the cannon for us. It was a professional job!!! We had 44 clowns that participated at the circus. We now look forward to doing a couple of performances at the Northeast Shrine Circus in June. I understand that ideas are already on the drawing board for next years circus. We would also

like to thank the Sesostris Shrine leadership for bringing good, clean family entertainment to Lincoln.

We welcome our new clowns and their wives: Dick Pieper, Bob Moberly, Fred Adkinson, and Reggie Moeller. You guys are "practically great," keep up the good work!!!

If anybody knows of a good photographer that would like to be a personal photographer to a good clown, please contact Don Desch.

DIRECTORS STAFF

Hi there, well here we are again, and another quarter year has rolled around. It is hard to keep up with the time anymore, or is it me, slowing down — possible, just seems everything is moving faster. WE have been so busy this spring, believe me, that makes the time go fast. Early in April we sponsored the Heartland Country Dancers for their Annual Hoe-Down. This is a big affair with people coming from Kansas, Missouri, South Dakota, Colorado, and Iowa. This is a learning party, and all day they had instructors busy as could be teaching new steps. At noon, Dale Pierce with the help of Tom McConaughy, turned out hamburgers, and Polish sandwiches like crazy and bean soup. These two were ably assisted by Dick Bratt, who ran the popcorn machine with the help of Erv Vosta, and collected the money from the kitchen. Believe me, during the noon hour these people really worked. Then came the afternoon and evening, the Gourmet Club prepared the dinner, so we were relieved of that responsibility, however we still were on the bar until midnight, so it is a long day and next year we hope to have more help, working in shifts to keep us going all day and evening. It is really a fun party and everyone has a wonderful time.

Next came the Screening Clinic at Bryan Memorial, and of course the Directors Staff really get involved, so a big thanks to all those at both Bryan and St. Elizabeth. Those are two busy days and once again the Directors Staff came through to help out.

I believe it was about the 20th of April, the two semi's arrived delivering the Vidalia Onions to the Temple. The Greeters had done a great planning job, and the Directors Staff was to handle the onions, meet them out to the trucks selling at the various spots around town, and sell onions direct from the Mosque. The Gold Stars go out here, starting with our leader Don Burbach, who did a never ending job of unloading the onions and purveying them to the waiting public. Next gold stars go to Bill McKinzie and Erv Vosta and George Gade. These are real troopers who were there daily throughout the onion sales and the Circus, leaving the onion sales only when the Directors Staff was scheduled to work at the

Circus which if memory serves me correctly was Thursday and Friday to handle the wheelchairs, that in itself is a big job, to get those people in, lined up along the wall, and with their group so they all are together. We hasten to add we had a good turnout for those performances. Con Kruse, John Lewis, these names come to mind quickly. They were there to help and I don't need to tell any of those people that we needed help.

The Circus was great and the Onion Sales were great, and we learned you can move a lot of onions from the trailers parked around town and the radio ads really helped.

Following closely came the Ceremonial. Boy, it was one thing right on top of another. Once again Don Burbach, Bill McKinzie, and Erv Vosta thought for awhile they were going to be alone, then of course the others showed up, so they were able to go ahead with the program as planned. And guess what — **the Engergizer Rabbit, drum and all**, put in an appearance — right in the middle of the program, just like on television — "Who Was That Rabbit???" If you know, let me know. If you don't know, I'll let you know next issue — maybe —!

Well, here we are at the end of another article. If I missed anyone or left your name out, it wasn't intentional, because I believe we should give recognition to those who are out there doing their best for the Directors Staff, and believe me, we need all the help we can get. Think I'll start making notes as we go along. Hope everyone has a very happy Memorial Day. Get rested up, the parades are coming and sooner than you think!!

That's it for now -30-

BAND

C.W. Schwartz — Correspondent

February and March (both) had busy schedules for the Band, the Dance Band had most — two rehearsals and an extra one for the "Ball." Six dance jobs, including the "Potentates" Ball. The Concert Band had one rehearsal, no concerts. It appears that those not in the Dance Band, will have to wait for Parade Schedule to play. Oh yes, I forgot the Circus, the Concert Band played, Coming in

Best Wishes To

Music, before the 7:30 show, Wednesday night, April 22. It wasn't designated but everyone considered it "Shriners and Family" night. The usual sign-up sheet for the faithful workers, selling programs and novelties.

THE GIFT OF FRIENDSHIP

Friendship is a priceless gift that cannot be bought or sold.

But, its value is far greater than a mountain made of gold.

For gold is cold and lifeless, it can neither see nor hear, and in the time of trouble it is powerless to cheer.

It has no ears to listen, no heart to understand, it cannot bring you comfort or reach out a helping hand.

So when you ask God for a Gift - be thankful if he sends - not Diamonds, Pearls, or Riches - But the love of real true friends.

The April letter lists a couple of news items. All units are to purchase a banner for their unit. The Band has done this. Time for onion sales again - the Band is lined up for this project. At this writing only three parades are scheduled. It is stated that the complete summer schedule will be in the next newsletter.

A SHRINER

Some people know the way to make each day seem more worthwhile.

They do the nicest things for you and always wear a smile.

They make this world a better place by practicing the Art -

Of reaching out to others and by giving from the heart.

NOVICE CORPS

Frank M. Mook — Correspondent

First off, we would like to say "welcome back" to our snow bunnies that traveled south to escape the harsh Nebraska winter. We're glad to see you all and looking forward to enjoying your company for the summer and fall season.

A meeting of the "92" Novice Corps officers was held on March 4th to discuss the upcoming out-patient and screening clinics. It was also decided that a sign would be ordered to be used in our booth at the unit information part of new member initiatory program. The combined dinner and business meeting with our Ladies on April 3rd was discussed.

On April 13th we did meet with our ladies at the Harvester Restaurant for a nice get together and meal. A short business meeting was also held. The Divan was represented by Treasurer Bruce Campbell and Outer Guard George Hunt. Also Jerry Sievers and his wife Marilyn were present. Jerry is Captain of the Guard. We had a good turn-out with more than forty attending.

George Hunt explained that there were 39 children screened on Friday and 136 were examined on Saturday. All members of the Novice Corps that helped had a chance to see first hand the good work that the Shrine is all about.

Jerry Sievers discussed the upcoming Circus also the Spring Ceremonial on May 8th.

Ralph Schobert encouraged all members to help sell programs at the Circus. This, of course, is another one of our fund raising projects.

Our Director Bob Wilson reminded all of the April 29th Golf Tournament at Mahoney Golf Course. Bob also explained that our ice

cream social this year will be on September 25th. All members will be contacted in plenty of time to take part.

A big thanks to Clint Johnson for doing such a fine job of heading up our onion sales. To date we have sold 111 bags. That's quite an increase over last years sales.

Art Pershing will be in charge of the new candidates for the Spring Ceremonial and has asked all those helping to be there by 7:30 a.m.

Entertainment Chairman Frank Mook reminded everyone of our trip to the Omaha Community Playhouse on June 10th. All will be called for their reservations.

The Little Car group have asked to get together with the Novice Corps for a dinner in May. May 23rd has been set for us all to meet at Mahoney State Park for a joint dinner and fellowship. All members will be called.

It was also brought up that everyone might be thinking about whether they would like to go to the Loft Theater some time this year. It will be discussed more at a later date.

We were very pleased to have Larry Brayman and LaFern Hays at our April 13th dinner meeting. Both Larry and LaFern have spent some time in the hospital and we were glad to see they are feeling better.

We were saddened to hear that Jesse Campbell's health will not permit him to continue in the Novice Corps. We wish him well and he will certainly be missed.

That's about all for this time. We'll bring you more in the next issue of the Feztivities.

CHANTERS

Joe H. Beer — Recorder

As of the 1st of April the Sesostri Shrine Chanters are no longer being directed by Frank Tauriella. We in the Chanters wish to congratulate and thank Frank for the **excellent** job you have done in the past few years. Good luck on your future endeavors.

Our new director is Dale Walters. Dale is an associate minister at Christ United Methodist Church in Lincoln on 46th and A. He plans to carry on with most of the music introduced by Frank and add additional songs.

Dave Kaufman is home from the hospital after his experience with fire damage at his business and his numerous heart by-passes. Get well Dave.

The past four months have been very busy for the Chanters as usual. We partied and sang at the Friend Country Club for the P.E.O. Chapter in March. We also sang at the Potentate's Hospitality Period in the Holiday Inn on March 28. Besides the singing we co-sponsored a hospitality room with the Sesostri Shrine Band. This was not the only co-sponsoring with the Band. On February 21 we worked with them on the first Fun Night of the year. We held our recording session with our recording specialist and were successful in obtaining some records for distribution.

Preparations are being made for singing in the Ceremonials on May 9.

Some discussion was held of joining in the parade at the Ashland Stir-up Days on June 13, 1992.

BLUE VALLEY FIREMEN

V.K. Patrick — Correspondent

The Blue Valley Firemen have been performing maintenance work on the fire

truck and associated equipment. We believe that all is ready for the 1992 parade season to begin.

Several Firemen have attended the circus that is performing in Lincoln at this writing. They report that the show is of the usual top quality.

The sale of Vidalia onions is progressing exceptionally well. It appears that this project will be a success.

We continue to hold monthly meetings. A covered dish is served by our ladies on alternate months. Good food and fellowship prevails.

We will see you at the parade.

GREETERS

Ordell Hennings — Director
Vance James — Correspondent

All indications are that 1992 will be a productive and fun-filled year for Greeter Unit members.

Our first dinner meeting of the year was held in February at the University Club of Lincoln, and was ably hosted by Noble George Lytton and Lady Vivian, Noble George Brockley and Lady Jan, Noble Roger Cunningham and Lady Doris, our Potentate Rollic Johnson and Lady Liz, and our Unit Representative and 1st Ceremonial Master Paul Malzer and Lady Marcia were our guests. Our "in house" professional speaker, Noble Keith Barrett, gave us an inspirational talk enhanced with his usual great humor.

Our March dinner meeting was held at the Mosque, and this was a fun-filled "Hobo Night". The hosts for this occasion were Noble LeRoy Oakeson and Lady Betty and Noble John Loewenstein and Lady Grace. Members and guests came in a variety of hobo garb, and this made for a hilarious

evening. Prizes were awarded for the best costumes, and the winners were Noble Bob Hawley and Lady Kathy and Lady Hope Friend — all winners by a dirt covered nose. We were honored that evening to have as our guests Potentate Rollic Johnson and Lady Liz and Marshal Bob Hawley and Lady Kathy.

Our April dinner meeting was held at Misty's in Havelock and was hosted by Noble Marv Garber and Lady Emma, Noble Lew Berlowitz and Lady Ruth and by Noble Les Friend and Lady Hope. Divan guests that evening were Potentate Rollic Johnson and Lady Liz and our Divan Representative Paul Malzer and Marshal Bob Hawley. We were entertained with group singing by a guest, Velma Snook and accompanied by our "in house" pianist Lady Grace Loewenstein.

We are happy to introduce our newest members, Noble Jerry McFarland and his Lady Kimberly. We are sure that they will be a valuable addition to our Unit, and we heartily welcome the McFarlands.

We are sorry to announce the death of one of our long time members, Noble Jack Nisker. Noble Jack died in March at age 86.

The Greeters were considerably involved with our regular duties at the installation ceremonies of our new Potentate and the Divan and Officers in January. We also assisted at the annual KC-Shrine dinner dance at the Mosque in February. The Potentate's Ball in March found the Greeters at their usual places of duty — always a pleasant occasion in which we participate. And in April we assisted in several ways at the Shrine Hospital Clinics in Lincoln. And at this writing it is "Onion Time" and "Circus Time" — and Greeters will be on hand in considerable numbers.

I want to use the occasion of this article on behalf of our Director Ordell Hennings and other officers of Greeters to express deep appreciation to all our members who respond so faithfully, whenever able, to assist in whatever activities we are normally called upon to serve Sesostri. You are all great in saying "Yes" whenever you can — and your cooperation is greatly appreciated.

Again, we invite other Nobles who are not in a unit to inquire as to our activities. Becoming involved has many rewards — and Greeters are involved.

DIVISION OF CHRYSLER MOTORS

We wonder if this is surgeon Bob Metcalf or Mortician Bob.

Soloist for the year will be Princess Diane Butherus.

The Nile Club visitations have begun with the first being a visit to Pioneer Nile Club in Fairbury on April 30, 1992, a joint meeting in York, Nebraska of the Tanis and Meridian Nile Clubs on May 12, 1992, the Pawnee Nile Club and Northeast Nile Club in a joint meeting on May 13, 1992 in Columbus and a

visit to the Falls City Nile Club on May 18, 1992. These visits to our outlying Nile Clubs are not only enjoyable, but are an important link in keeping the ladies of the household informed of the activities planned for the year, installing the officers of each Nile Club, and encouraging the assistance and participation of the Nile Clubs in our projects in support of the crippled and burned children who are out-patients in the Shriners hospitals.

In June, your Queen, several Past Queens, the line officers and several ladies of the household will be attending the 76th annual session of the Supreme Temple, Daughters of the Nile, in Rochester, New York. Naphis Temple is proud to learn that Karen Everett, Past Supreme Queen, Supreme Temple Daughters of the Nile, and Past Queen of Naphis Temple, has been appointed to serve as Supreme Princess Badoura pro tem for the session. This is truly another honor for our temple.

The Annual Naphis Temple Luau has been set for Friday, August 7, 1992 at the Shrine Mosque, 17th & Yolande at 7:00 p.m. Ticket price will be \$12.50, and the dinner will be planned and cooked by Naphis Temple ladies and their Nobles. We promise you excellent food and lots of it! Please put the date on your calendars and invite your friends for a wonderful dinner and an enjoyable program. Luau committees are already at work, and we promise you an outstanding Luau. Get your tickets early so that you won't miss this outstanding event!

As you all know, it takes many hands to assure that an organization functions successfully and efficiently. Naphis Temple is no exception. I would be remiss if I did not recognize those Princesses who are assisting the line officers and the Marshal as aides during this year. These are the willing hands always there to assist and support our officers and we are indebted to them for their dedication and loyalty. So this is a special thanks to those princesses who are serving as Line Officers Aides, Princesses Gretchen Hietbrink, Madge Boeckner, Dorothy Tice and Rita Schwarz; and those serving as Marshal's aides, Princesses Phyllis McGill, Ruth Pershing, Doris Schobert, Lillian Warner, Lynn Wickham, and Lois Wilson.

In closing, we would like to urge all Ladies of the Household to come to our meetings to

enjoy the fellowship and friendship of our Temple. We have a beautiful new Queen, a dedicated group of officers and now we need the participation of all Ladies of the Household. Our Sewing Group meets at 10:00 a.m. prior to each Stated Session, and they are looking for the willing hands of the Ladies of the Household. Bring a sandwich and join us for a salad furnished by the Committee at 11:30 a.m. prior to each stated session. Our session begins at 1:00 p.m. Ladies of the Household, please watch your Calendar of Events for the dates, and won't you please join us? We'd love to see you.

LADIES AUXILIARY TO THE SHRINER'S HOSPITAL TWIN CITIES UNIT SESOSTRIS AREA

Wilma Hahn — President

The 69th Annual Meeting Women's General Auxiliary of the Twin Cities Unit of the Shriners Hospital for Crippled Children was held on Monday and Tuesday, April 13-14, 1992 in St. Paul, Minnesota at Osman Temple. In attendance at the two-day meeting were Wilma Hahn, President and Maxine Emry, Advisory Board Member.

Every year a wish list is submitted by the hospital staff and recommended by the advisory board. The list was presented to the

delegates at our meeting. At that time pledges were made to complete the purchasing of the wish list items. Sesostriis pledged to purchase a snug seat. This is used to transport infants to and from the hospital. The cost \$200.00 This seat remains at the hospital. It does not go home with the child.

A report from Labels Chairman, Dorothy Vetsch stating she received 263,730 labels in 1991. These labels provided items for the Ambulatory, Occupational Therapy, Physical Therapy, School Room/Recreation and the Women's General Auxiliary Departments at the Shriners Hospital. A goal for 1992 is 300,000 labels. Save those Campbell's labels so we can achieve that goal. Bring them to our meetings or drop off at the Temple.

Update from President Edythe Halper of the Women's General Auxiliary. The last three years serving as Chairperson of the Women's General Auxiliary have been the most gratifying of my life. It has been an honor working with the women dedicated to bringing comfort and a secure "home" atmosphere to the patients at our Twin Cities Unit of Shriners Hospital for Crippled Children.

Watching our doctors, nurses and staff give completely of themselves to bring happiness to our handicapped children is a wondrous feeling. As I watch the progress these children have made during their treatment, my heart swells in gratitude knowing that we have contributed in some way to their accomplishments. Indeed, making the hospital a warm, comfortable home is truly a team effort.

Our biggest and most exciting event was the presentation of over \$1 million to build the Parent Accommodations Center. Having the parents stay so close is a source of great contentment for the children. Parents can visit their children at the hospital any time of day without worrying about transportation. Their gratitude knows no bounds.

To Women's General Auxiliary has made a great contribution to the temples in reducing costs. When a patient's petition is signed, it is the temple's responsibility to incur the costs involved for living expenses while the child is in the hospital. Our Parent Accommodation Center has cut these temple expenses to less than half.

Sixty-seven auxiliaries from North and South Dakota, Nebraska, Wisconsin, Minnesota, Iowa and Northern Michigan comprise the Women's General Auxiliary. Members dedicate long, hard hours to raise money for outstanding accomplishments. The Auxiliary has now undertaken two new

ventures. We are happy to tell you about two large hospital projects designed to benefit the patients and their parents as well as to beautify the grounds.

First is the development of an outdoor area for parents to relax in and enjoy. A patio will be constructed next to the north side of the Parent Accommodation Center. There will be permanent picnic tables with anchored umbrellas and benches. Plants, trees, bushes and brick walkways will enhance the area with an added dimension of night lighting. The cost will be approximately \$32,000.

The second is an outdoor play area in the upper portion of the courtyard for all children, handicapped or not. Included will be swing sets, funnell ball, superwhirl (merry-go-round), seesaws, rocking horses, free standing and ground level sandboxes, pull-up arm exercisers, a play ship, splash tables, an adventure house, and a putting green or miniature golf area. The women's efforts have raised \$38,000 for this exciting playground.

The Auxiliary also has ongoing monthly expenses. About \$15,000 is set aside every month for the purchase of wheelchairs and their maintenance until the patient is 21 years old. In the past few months, we have also purchased a Wurlitzer piano for the hospital

lobby to the "tune" of \$4,000. A \$14,000 Chevy 1992 station wagon was donated by the Auxiliary and is used for many hospital errands.

Every April the directors of the hospital departments present the Women's General Auxiliary with a Wish List, a listing of things that each department would like to have but were not approved in the hospital budget. The Auxiliary attempts to fulfill all their wishes and their response is very generous. Don't ever let it be said that we women cannot do it. Give us the task and we will fulfill it. That is our mission as an Auxiliary. . .to provide pleasures for the patients at the Twin Cities Unit of Shriners Hospital.

I want to thank every woman in the entire Womens Auxiliary for the privilege of this experience. It is something I will never forget and somethin for which I will always be grateful.

Edythe puts in many endless hours. We can be proud of her.

Our Stew Dinner was a great success. We served 285. The Stew was delicious thanks to the Gourmet Club. Also thank you ladies for the delicious pies and all your hard work.

Be sure to mark your calendars. No meeting July and August. Don't forget the

Sunday Brunch September 13th. Let's make this the best fund raiser. Tickets will be out for sale August 1st. Bring your family and friends. Have a fun summer.

PLAQUE PRESENTED...

LOYD L. WEST, Lieutenant of the NE Nebraska Shrine Club Model T Patrol presents Zelda Whited with a plaque in honor of the late Vern Whited who was the Captain of the Patrol. Other members of the Shriners include (left to right) Chester Anderson, Leonard Kocina, and Gerald Langhorst. The plaque features a sketch of Vern and his Model T. He was also a member of the Eastern Star and Masonic Lodge which are affiliated with the Patrol.

BID NOTICE

Nobles: If you are in a business that would be interested in bidding on future Sesostri's Temple business, please send us your Company name, address, phone number, and category (construction, electrical, plumbing, printing, cleaning service, etc.). We will put you on the appropriate category bid list for future projects.

Send to: 1717 Yolande Ave.
Lincoln, NE 68521

LENNOX

Quality proven over time.

Advanced Technology in Heating and Cooling Performance

Lennox HP22 DIMENSION™ Heat Pump

Lennox HS22 DIMENSION™ Air Conditioner

Lennox' DIMENSION redefines the meaning of high efficiency and energy savings: impressive cooling SEERs reach as high as 13.40, and heating HSPFs go up to 8.65. At the heart of the DIMENSION's top performance is the innovative scroll compressor with its 10-Year Limited Warranty.

Lower your home heating and cooling bills season after season. Lennox' DIMENSION...for reliable performance, value and quality.
